JUNIOR RANGERS

If your children can't wait to leave the city and head out into the bush, then they are probably Legacy Junior Rangers in the making. The Legacy Junior Ranger programme was developed to educate and entertain children when visiting our world-renowned bush lodges. Children are taught about nature, the animals around them and the importance of preserving our natural environment. The Legacy Junior Ranger programme is led by our highly experienced game rangers who can share their experiences and knowledge with the children.

This programme is available at Kwa Maritane Bush Lodge and Bakubung Bush Lodge.

LEGACY BALANCE

A healthy mind and healthy body go hand in hand. When you check in at one of our elegant and tranquil spas, it is time to disconnect from the world and let us take care of you. If you simply want to relax after a busy day, or want us to help you rejuvenate, then Legacy Balance is the place to be.
